## State Employees Charitable Appeal

Fall 2016

Dear Union Member,

As workers dealing with the general public, we are painfully aware of the many social service issues confronting our family, friends and neighbors. Union members know how important it is to help each other in our community. We are good citizens and have always done our part to help those in need.

During this difficult past year, we have all been tested. Our commitment to the community has been unwavering. Through our longstanding partnership with the social service agencies in our state, we have assisted many. These voluntary agencies work to help not only the unemployed and the working poor, but also to provide vital services for many of our Brothers and Sisters with a variety of problems and needs. We recognize the importance of these services through our charitable giving.

In this spirit of partnership and community, we encourage you to consider the good work unions and social service agencies do when we work together. We encourage you to support the State Employees Charitable Appeal (SECA). Over the years, many of us have supported the SECA campaigns and volunteered our time and talent. By doing so, we make our communities better places to live, work, raise a family and retire. Working together, we can continue to make our caring count by investing in our community. Thank you.

Sincerely,

Mazen Alsabe, President, IFPTE Local 400  
Lucie Burdick, President, SEIU Local 580  
Elizabeth Cooper, President, URI/AAUP

## State Employees Charitable Appeal

Fall 2016

Dear State Employee,

I am honored and delighted to be the new SECA Director. It is my pleasure to be associated with such a long-standing campaign that helps thousands of people every year.

Last year the SECA Campaign raised \$433,866 from 1635 donors! Your generous donations went to community agencies and organizations to help provide much-needed support and assistance for people in need. Thank you for helping to make a difference!

This year's campaign theme is "A little HOPE goes a long way." Our state may be small, but we are big on giving hope to our neighbors in despair and those in need of a hand to help them through stormy situations.

This 2016 brochure has 600 participating agencies listed for your consideration. These groups provide a variety of critical services, and you can be assured that your contribution will be used to improve the quality of life of people across the state.

Thank you again for all your past and ongoing support of SECA. I would also like to thank and acknowledge Seth Magaziner, General Treasurer, for chairing this year's campaign, as well as State Agency and Department Directors, Campaign Leaders, and Labor Representatives for your support. I look forward to working with all of you to make this year's SECA Campaign a success!

Sincerely,

Paula Manseau

# e-Pledge: Electronic Pledging 2016 Simplify Your SECA Campaign

## What is e-Pledge?

e-Pledge is a secure, no-cost electronic giving and donor management tool that can increase the efficiency of your State Employee Charitable Appeal (SECA) campaign. e-Pledge eliminates or significantly reduces the paper pledge forms traditionally used in the course of a campaign, relieving the burden of personalizing, distributing, collecting and totaling paper pledge forms, resulting in reduced administrative effort. Employees can continue to pledge electronically using payroll deduction, check, credit card or bill direct.

While e-Pledge is an electronic tool to allow employees to make a pledge or donate, **it does not replace campaign activities such as internal communications, departmental support and special events**. These campaign activities are still critical in running a successful SECA campaign.

## What are the benefits of using e-Pledge?

- No-cost to you.
- Eliminates or significantly reduces the need for paper pledge forms.
- Secure pledging system and employee payroll files can be shared via encryption based software.
- Enhances the donor experience—simple and convenient way of making a donation.
- Employees are able to view their previous year's donation on their personalized and pre-populated webpage and can update and manage their own contact information.
- Employees have option of entering a pledge via payroll, credit card, "bill me," or check.
- Employees can view the Agency Listing online and/or use a search menu to choose any of the SECA agency designations.
- Enables coordinators access to real-time reporting (excel or PDF) and tracking of donors during your campaign.
- E-mails will automatically stop once employees open their personal page and make a donation or select "I don't wish to give at this time".
- Increases accuracy—all donations and receipting information is entered by donor.
- Immediate gift confirmation e-mailed to donors.

## Requirements

What are the requirements for e-Pledge?

- At least 80% of employees must have an email address and access to a computer.
- Department has the ability to send an excel file of the employee names, ID# and e-mail address.  
(We will sign a non-disclosure/confidentiality agreement assuring you that we do not use employee's e-mail addresses in any other manner than the e-Pledge campaign.)

# e-Pledge: continued

## e-Pledge Process

Your state department will send us a list of employee names, work e-mails and payroll ID's three weeks prior to when you want the first e-mail sent out. (We sign a confidentiality agreement that the file will not be used in any other manner). We will then send each employee a personalized, pre-populated e-mail in a confidential manner during the campaign on dates of your choice as well as a few additional reminders e-mails to those that have not pledged yet. e-Pledge allows each coordinator to generate a variety of real-time reports and monitor the progress of the campaign.

## Frequently Asked Questions

### **Q: Is the SECA E-Pledge system secure?**

**A:** The answer to that question is YES. While no system is impenetrable, our systems are designed for maximum protection of employees' transactions.

- Data is transferred via a "secure session" established with Secure Sockets Layer (SSL) 128-bit encryption technology.
- Our servers are located on a secure computer and are behind an Internet firewall.
- In addition, employee excel files and payroll deduction files are sent via Barracuda Encryption software.

### **Q: Why does SECA want all of our employee information before the start of the campaign?**

**A:** For your employees to sign-in, their information must be pre-loaded into the e-Pledge system with employees' unique user names and passwords. A non-disclosure/confidentiality agreement is signed between each department and the SECA campaign administration to use the information strictly for the e-Pledge campaign.

### **Q: What if my department will not give out employee information?**

**A:** For the most successful and efficient pledging system we highly recommend sending personalized e-mails to your employees.

### **Q. What is the timeframe to start an e-Pledge campaign?**

**A:** We ask for you to fill out the "e-Pledge Campaign Set-Up" a month prior to your campaign start, send the excel file three weeks prior to the first e-mail being sent out. Your SECA representative will discuss the details with you.

### **Q: How does it work? What do the screens look like?**

**A:** For a PDF of e-Pledge sample screens (both options) visit our website at: **[www.riseca.org](http://www.riseca.org)**.

Thank you for all your past and ongoing support of SECA. I look forward to working with all of you to make this year's SECA Campaign a success!

**PAULA MANSEAU, DIRECTOR, SECA**

Working together, we can continue to make our caring count by investing in our community.

**UNION LEADERSHIP**

## *Imagine What We Can Do Together*

*You have done well on your own; each state agency or department doing their best to support Rhode Islanders through the State Employee Charitable Appeal. Now **Imagine What We Can Do Together!** When each person works to support the campaign by donating to organizations that provide critical services to people we know and care about **WE ALL BENEFIT**. If every state employee made a contribution to the SECA campaign this year and those who are new this year each donated \$1 that would provide \$12,000 in new donations. Imagine if they donated \$2 each for \$24,000 or \$1 per pay period for \$312,000. Individually, we make a difference; **TOGETHER, Rhode Island State Employees save lives!***

# Facts About SECA

Here are the answers to the most commonly asked questions about the State Employees Charitable Appeal (SECA).

## Why SECA?

The State Employees Charitable Appeal (SECA) campaign was formed in 1984 to keep things simple and spare you from repeated requests for contributions. Through a single workplace campaign, you can support a variety of health and human service organizations. SECA saves you time and is a very positive program that state employees collectively support year after year. When you give through SECA, you are helping people who really need help. Locally, throughout the nation and abroad, your gifts are at work every day of the year. Thank you for your generosity!

## What is the easiest way to give?

Payroll deduction is the easiest and most efficient way to give through SECA. Just a small contribution out of each paycheck can mean a lot to a family needing assistance because of a job loss, or it can provide a safe place for children to play, or buy medicine to prevent blindness for a small child overseas. These are just a few of the ways you can help.

## If my circumstances change, can I change or cancel my pledge?

Yes. Simply notify the state payroll office or the Director of SECA and the change will be made.

## How is my gift distributed?

**The choice is yours!** When you give through SECA, you have the choice of designating all or part of your gift to a particular agency or organization listed in this brochure. Please note that each federation has its own governing policy regarding distribution of funds designated to its member agencies. You may want to call the individual federation offices for more information. You may also choose not to designate your gift at all. Your gift will be an “undesignated gift” and distributed among agencies in proportion to the amount they receive through designations. For example, donors designate 3% of total dollars raised to Agency A. Agency A would also receive 3% of undesignated dollars.

## What if my favorite organization is not listed?

Due to state regulations, only agencies and organizations listed in this brochure may be designated with your SECA gift. If you know of a nonprofit agency or organization that is not listed, encourage the agency director to contact Paula Manseau, SECA Director, at (401) 444-0618 and request an application for the next SECA Campaign.

## How much does it cost to run SECA?

The budget for this campaign has been approved by the Department of Administration. Administrative and fundraising expenses (brochures, pledge cards, etc.) for SECA have averaged 9% over the past four years. For individual agencies, their administrative costs are shown in parentheses following their description.

## Tax Information

Pledges to the 2016 SECA Campaign represent contributions for which no goods or services will be received. In order to ensure that donors have the necessary documentation to deduct their contributions to the full extent of the law, donors paying by check whose 2016 contribution exceeds \$260 will be issued a written receipt upon request to the SECA Director. Donors giving through payroll deduction should retain this brochure and their year-end pay stub showing the total deducted.

FACT**

**What is the easiest way to give?**

Payroll deduction is the easiest and most efficient way to give. Just a small contribution out of each paycheck can mean a lot to a family needing assistance because of a job loss. It can also provide a safe place for children to play, or buy medicine to prevent blindness for a small child overseas. These are just a few of the ways you can help.

## SECA FACT

### How is my gift distributed?

The choice is yours! When you give through SECA, you have the choice of designating all or part of your gift to a particular agency or organization listed in this brochure. Please note that each federation has its own governing policy regarding distribution of funds designated to its member agencies. You may want to call the individual federation offices for more information. You may also choose not to designate your gift at all. Your gift will be an "undesignated gift" and distributed among agencies in proportion to the amount they receive through designations. For example, donors designate 3% of total dollars raised to Agency A. Agency A would also receive 3% of undesignated dollars.
